

### **§ 281.3**

#### **§ 281.3 Postal inspector responsibilities.**

The postal inspector investigating the incident should assure that the processing postal officials are fulfilling their notification responsibilities on a timely basis. Should the situation arise where no postal officials are involved in processing affected mail, then the investigating postal inspector will take

### **39 CFR Ch. I (7–1–99 Edition)**

necessary action to insure that appropriate notification is made.

[39 FR 20974, June 17, 1974]

#### **§ 281.4 Disclaimer.**

The Postal Service will not be liable in damages for any loss occasioned by any failure to notify firm mailers in accordance with this part of damage to or destruction of firm mailings.
